

Photography

Max Wang

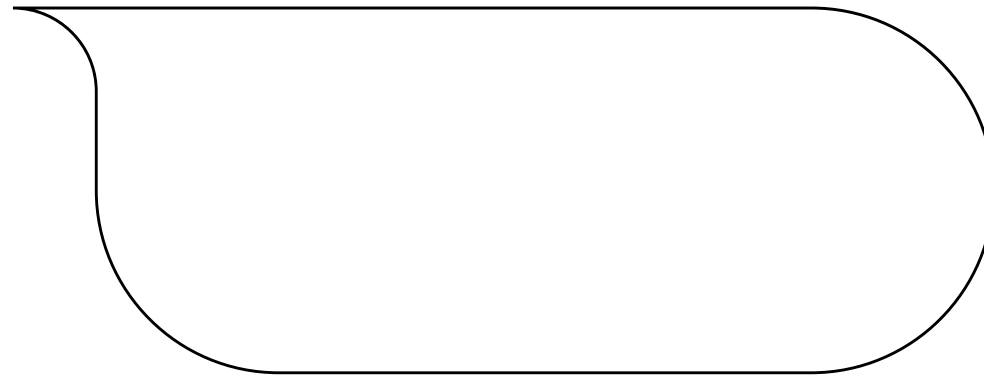

What is photography in your mind?

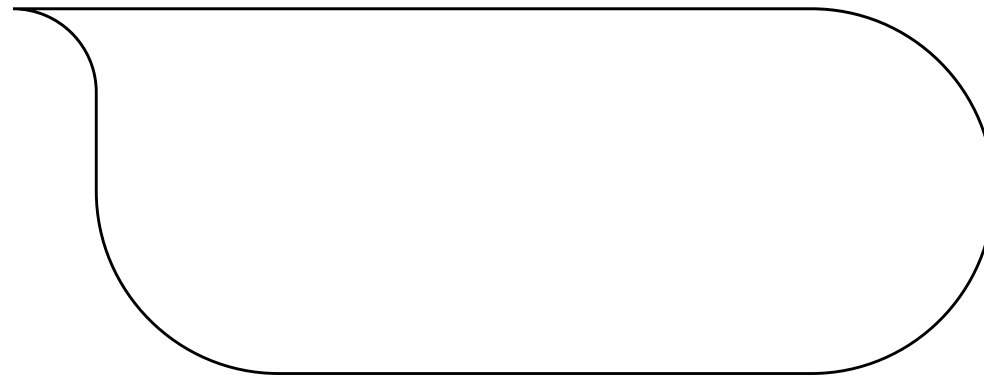

a.

A large, empty speech bubble with a rounded rectangular body and a small tail pointing towards the top-left corner, intended for a written response.

b.

A large, empty speech bubble with a rounded rectangular body and a small tail pointing towards the top-left corner, intended for a written response.

c.

A large, empty speech bubble with a rounded rectangular body and a small tail pointing towards the top-left corner, intended for a written response.
